GENERAL FAQ'S

What are the age requirements for these performances at the Walt Disney World Resort?

Parade - All Dancers must be 10 by October 20, 2024 for the performance at the *Magic Kingdom*® Park. This is a *Walt Disney World*® Resort policy, and unfortunately we are not able to make exceptions regardless of talent level.

Showcase - All Dancers must be 7 by October 20, 2024 for these performances.

When should we receive the Final Timeline?

The Final Timeline will be released approximately 10-14 days prior to the event. All times and locations are subject to change leading up to the event.

Will dancers have time to play in the Disney Parks?

While there will be some free time, the main focus of the weekend is the Dance the Magic experience. Our advice to families is to extend their trip before or after to ensure they have plenty of time to enjoy their family vacation at the *Most Magical Place on Earth*®.

What happens in the event of inclement weather?

The safety of the performers is our number one concern. If rain is projected, the Parade may start early or start later in an effort to avoid the storm. If the rain is light, we will proceed with the performance modified for safety. If the weather is too severe, unfortunately the parade will be cancelled on account of safety. In the event of a cancellation, there are no refunds.

Who should I contact if I have questions?

In order to have a seamless event, Dance the Magic will be working with one main point of contact from the studio to organize and execute the event details. All event inquiries and pricing questions from parents will be redirected to your studio's main point of contact. Parents will receive limited communication from Dance the Magic, including, but not limited to, tech support and payment reminders.

TICKET & TRAVEL FAQ'S

Can I use my Disney Annual Pass?

Dancers - All dancers must purchase a Performer Package through Dance the Magic which includes their park ticket. These tickets allow for backstage access when escorted by a Disney Cast Member.

Guests - Annual Passholders will need to register in GroupCollect to select the Disney Annual Passholder Package to be able to Add-On the Dance the Magic Showcase Wristband, VIP Party, or Bundle both!

Annual Passholders must submit a picture of their valid pass to confirm their pass status (i.e. Silver, Gold, Platinum, etc.).

An example of how to book hotels for Annual Passholders:

Family of 4 (1 dancer & 3 guests) who are all Annual Passholders:

-Dancer will choose Performer Single Package even though he / she is an Annual Passholder.

-Guests will not choose a package, however they will still need to add their names to the rooming list. The room is fully paid for because the dancer chose a "single" package even though 4 people are staying in the room.

I have family in Florida. Can I purchase tickets through Dance the Magic?

Yes. Dance the Magic will offer ticket only packages for Florida Residents. A valid Florida ID is needed.

Florida Residents will also need to purchase the Showcase Admittance Wristband for \$50.

Are Disney Vacation Club Members able to use their points?

No, Disney Vacation Club points can not be applied for this event.

Can we book Disney's Dining Plan?

No, the Disney Dining Plan is not an option for families attending this event.

Is transportation to and from the airport included in our stay?

No, Guests will be responsible for arranging their own transportation to and from the airport.

Is transportation to the Disney Theme Parks included in our stay?

Yes! Complimentary bus transportation to and from all Disney theme parks and water parks is available. Buses also run to Disney Springs area and Disney's Winter Summerland Miniature Golf Course. The main bus stop at Disney's Coronado Springs Resort is located in front of the El Centro building. Three additional stops shuttle Guests between the Casitas, Ranchos and Cabanas suites.

Is parking at the hotel included in our package?

Parking at the Walt Disney World Resort Hotels is complimentary for Resort Guests.

Is Travel Insurance available to purchase?

Yes! For added peace of mind, Dance the Magic offers travel insurance that can be added-on by each individual family during the registration process in your studio's custom Event Registration Portal.
