

Heather's Dance Company

Christmas Program 2024

Saturday December 21· 2024 11:00am performance

Each class will learn a simple routine during class time. The program is voluntary. Please indicate that your student will participate by either emailing the studio @

heathersdancestjohns@gmail.com or simply signing up under the events in the app.

Unlike the spring recital, this program is casual and there is NO DRESS REHEARSAL on the stage, we will have costume dress rehearsal at the studio the last week of classes before the performance. Then the performance on stage Saturday Dec 21 at 11:00am.

Each class will be responsible for coming up with a costume that fits in the requirements of the class. All the requirements are listed below.

Tickets for the program will go on sale Friday November 15th at 7:00am \$7 each seat. (lap children can be ages 5 and under) Since we are only having 1 show, seats are limited to 4 tickets per dancer until everyone has had a chance to purchase tickets. December 1st all remaining tickets will be available to purchase until the seats are sold out. Please be honest about this as it is difficult to monitor this for fairness. Also available for purchase will be a Christmas show sweatshirt with the cast list on the back, glitter roses, a keepsake program, and a digital download or DVD of the show.

The spring recital does not have any ticket limits.
