

Heather's Dance Company Costume Order Form Recital Just Dance 2027. In order to be in the recital, you must commit to the following dates:

- Dress Rehearsal May 5 (stages pre, 1 and 2) or May 6 (stages 3, advanced, and teen) 6-8pm- younger students will go first and can leave when finished rehearsing. You are required to be at the dress rehearsal in order to be in the show. Location: SJHS Auditorium
- Recital Saturday May 15, 2027 Either Show A 11:00am or Show B 3:30m (stages 3, teen and advanced are in both shows) The show assigned for each class will be on the costume picture when it is shown to the classes the week of October 5th, be sure to check with sibling or multiple classes. NOW is the time that I can make changes, just send a friendly email.
- You must purchase the costume chosen for your class. \$85. ALL PRE AND LEVEL 1 CLASSES WILL INCLUDE 1 PAIR OF TIGHTS IF THEY ARE REQUIRED
- Orders and payment due Friday November 6, 2026
- To apply for a Costume Angel (financial aid) or to contribute to the Costume Angel program, please see Heather.

The recital is optional but highly recommended. If a student decides not to participate, they will still learn the routine and be part of the class until the end of April. If you do not want a costume, please still return this form and indicate that your student will not be participating in the recital. Please be sure that you do not want a costume, it is extremely difficult to get a costume added to the order after it is placed.

After the Order is placed, there are NO REFUNDS ON COSTUMES- NO EXCEPTIONS

Please be sure to measure and size large for the costume. It is better for the costume to be too big than too small.

Costumes often are sized to fit extremely snug so measure big and allow for growth.

THERE IS NO NEED TO RETURN THIS FORM: WE WILL MEASURE DANCERS IN CLASS AND INSTRUCTORS WILL TAKE NOTES ABOUT COLOR CHOICES IF AVAILABLE. If you pay for the costume, your student will receive a costume.

However, if you are a returning student, if you can check the costume size your dancer received last year and note how it fits now, then email heathersdancestjohns@gmail.com, it would be helpful for us to know how the size fits compared to last seasons especially if they are between sizes. We always want the costume to be too big instead of too small.

Measure Girth _____ girth (female only) is measured from left shoulder down through crotch back up to left shoulder, **then have the student put her arms up** so the costume is big enough when she stretches.

Dress Rehearsal Monday November 23rd 6:00-8:00 (we will practice in the order of the actual show)

- No class Wed or Thurs or Sat of Thanksgiving (Nov 25-28)

Performance Sunday November 29th 2:00pm (note this is the weekend of Thanksgiving)

Costumes for this show are for parents to not spend a lot on. We have guidelines for every class, but a few classes have costumes that will be lent to them (ballet classes) and 2 have specific leotards to purchase from Amazon. Our goal is for families to not spend too much on this casual performance.

The order of the show will be posted on the wall at the studio but is subject to change.

Tickets for this program will go on sale Sunday Nov 1 at 12:00pm (\$10 per seat). (A link will be emailed to each family) Since this is only 1 show and we need to fit the entire studio into the auditorium; each dancer that is participating, will be allowed to purchase 4 tickets from Nov 1-7th. You will be emailed priority codes to be able to purchase tickets. This allows everyone the opportunity to get tickets. On Dec 8, if there are tickets left, families will be allowed to purchase up to 4 additional tickets. (The spring show will not have any limits to ticket purchases)
